

## DIY Tool: Donation Form

### Example

**HOW DO I DONATE?**

It's simple – just complete the donation form and return it to your Office Administrator or Payroll. You can choose the charity or charities you would like to support and how much you would like to give them.

Payroll will automatically send your donation to your selected charities each pay – you don't need to do anything else. You can change or cancel your donations at any time simply by notifying Payroll.
